Modern sharks began to appear about 100 million years ago. Fossil mackerel shark teeth date to the Early Cretaceous. One of the most recently evolved families is the hammerhead shark (family Sphyrnidae), which emerged in the Eocene. The oldest white shark teeth date from 60 to 66 million years ago, around the time of the extinction of the dinosaurs. In early white shark evolution there are at ...

The corollary of this rule is that mate poaching is okay. Because even marriages can be broken up at a moments notice for the personal preference of one partner, there is no reason to respect the boundaries of another persons relationship. All is fair in love and war, and if you steal someone else's partner, there are no social consequences, because it's just part of the game.
