Feature Highlights. We created doPDF with the purpose of giving users a way to create PDF files fast and easy. This is why doPDF is the most lightweight free PDF creator in the world - no exaggerations, the web installer is a mere 1.5MB, does not require 3rd party software (such as Ghostscript as most of the other free PDF creators require) and barely uses any resources during conversion.

I really like this video for bringing our attention to something that we see all the time, but don't pay close attention to. I also appreciate that the researchers are pointing out that just because we see something many

times, that does not mean that we understand or can replicate it.
