America, which later became the Portuguese colony of Brazil. Following this agreement, Spain and Portugal increased their voyages of exploration. European countries had three main goals during this age of exploration. First, they wanted to spread Christianity beyond Europe. Second, they wanted to expand their empires. Third, they wanted to become rich.

Trade routes across North America linked Native American groups that lived far apart. Trade allowed them to share both goods and ideas. Native Americans did not buy and sell land. They treated the land as a resource for all groups to share. They felt that the world was filled with spirits. For instance,
