The Military Industrial Complex - Carecon Home Page

1. What is the "undue influence" of the Military Industrial Complex that Eisenhower warns of in lines 22-30? In other words, he warns that we must never let this Military Industrial Complex endanger our liberties and democracy. Put another way, How might it do so? How could the huge size and wealth of this complex reduce our democratic processes? 2.

Military Industrial Complex - Warren Hills Regional School

denounced capitalistic fascist regimes. However, the practice of the military-industrial complex would continue to influence future relations between corporations, the military and state governments. President Eisenhower first used the term "military industrial complex" during his farewell address to describe a growing threat to democracy.

Military-Industrial Complex is the phrase used to describe the sometimes-too-cushy relationship between military industry and politics. President Dwight Eisenhower used the phrase in his January 17th, 1961 farewell address as a warning to the American people to not let this relationship go unchecked due to the "potential for the disastrous rise of misplaced power".
