The Moon Pool is a fantasy novel by American writer Abraham Merritt. It originally appeared as two short stories in All-Story Weekly: "The Moon Pool" (1918) and its sequel, "Conquest of the Moon Pool" (1919). These were then reworked into a novel released in 1919.

I actually rather enjoy Merritt and The Moon Pool is a delightfully weird story set in an amazingly weird place. If I have only one criticism of his writing it is that he seems unwilling to write a happy ending.

This is a fascinating novel. Merritt has a gift for setting. You actually feel like you are in a South Pacific ocean, or standing in front of the moon pool. This book grabs you and suck you into the setting. You have the feeling of gloom and wonder as you enter the Moon Pool for yourself.
